

ANIMALS III PRESS RELEASE 2017

Direct from Newcastle upon Tyne, the birthplace of the original ANIMALS band, comes the third generation of Animals band, appropriately named ANIMALS III.

Currently touring their show at festivals and venues around Europe, the band features three former members of THE ANIMALS who were members of the highly acclaimed reincarnation of THE ANIMALS in the 1990's featuring original 1960's Animals band members Hilton Valentine and John Steel. They also recorded and performed throughout the World during the 1990's as ANIMALS II.

Today's ANIMALS III band is as authentic as it gets with their raunchy and powerful show that features all of the classic hits of THE ANIMALS including the smash hits 'House Of The Rising Sun', 'We've Gotta Get Out Of This Place', 'Please Don't Let Me Be Misunderstood', and many more.

Further information can be found on the band's website at www.animals3.com
